Operational/KREDAF

Subject of NRQA-11076 - *Mikhail RUDKO*

RE NRQA 782, NRQA 24899

1. Operational clearance has been granted subject for use in KREDAF.

2. We realize that it was not possible to present a clear picture of your intended use of subject in reference 1, but in view of his strong Ukrainian nationalist feelings and his primary loyalty to the Ukrainian Relief Committee, we strongly recommend that if he is recruited for KREDAF work, he be used in the capacity of an informant rather than that of an agent. Although subject is undoubtedly anti-Communist, he may well also be anti-Russian, and his behavior, if faced with a Russian in the course of operational activities, might be unpredictable.
